MANUAL FOR CONFIRMATION SPONSORS & Candidates Class of 2026

INTRODUCTION TO SPONSORS

I. NATURE AND PURPOSE OF APPRENTICE PROGRAM

Stated most simply, this aspect of the candidate's preparation for Confirmation involves a series of meetings with you, the sponsor. During these meetings, you are to serve as a mentor and to help the candidate grow in the essential skills, knowledge and attitudes, of a mature, responsible, committed member of the Church, a professed follower of Jesus and a witness to the faith.

This program of apprenticeship is modeled after elements of a longer and more strenuous period of preparation for those coming to faith in the early Church. That process was called a catechumenate, and is still used in our parishes through the Rite of Christian Initiation for Adults.

If you are like most persons who have been asked to serve as sponsors, you feel both flattered and a little inadequate. You would probably be the last one to hold yourself up as a fully informed, totally-dedicated Catholic and a suitable person for guiding others.

Keep two things in mind here. First, your candidate freely chose you, so he or she must feel you have some basic qualities and experiences that can help the candidate grow. Second, you were most likely asked because you are more mature, more informed, and more experienced than the candidate is. No one, least of all the candidate, expects perfection of you, only a willingness to share and to continue to grow in your own faith.

Also, it is important to be as realistic about the candidate as you are about yourself. The goal of this Apprentice Program is **growth**, not perfection. Readiness for Confirmation requires that the candidate demonstrates willingness and a capacity to continue to grow toward a mature and committed faith. The actual goal of perfected faith and total imitation of Jesus remains a lifelong quest. Your task is to help the candidate take the next step, not the final step, in that process.

If you properly understand the purpose of this apprenticeship, you will realize that you have all the necessary qualities for assisting your candidate.

We have every confidence in your suitability, that coupled with the personal investment of your time and humble prayer for Jesus' assistance will ensure that the apprentice program will be a successful and rewarding experience for both the candidate and you.

II. SPONSOR INFORMATION

Requirements

A sponsor must be a practicing confirmed Catholic. He or she may not be the candidate's mother or father. The sponsor should be a person who is prayerful, open, loving, and is comfortable sharing with young people.

Role

The sponsor represents the support and prayers of the entire Church. He or she will be the candidate's "spiritual friend." In this program the sponsor will:

1. Share their faith story with his or her candidate.
2. Spend time getting to know the candidate.
3. Pray for and with the candidate.
4. Present the candidate during the Confirmation Rite.
5. Continue to be there for the candidate and lend spiritual support after the Confirmation ceremony is over. One way of continuing this relationship would be to send the candidate a card or note on the anniversary of his or her Confirmation every year.

III. PROGRAM TIMELINE

1. During the three year process of Confirmation at Holy Redeemer, you will meet with your candidate at least 4 times for approximately 90 minutes each time. Since personal circumstances vary widely, we leave it to your judgment to work out your own meeting schedule and duration of the meetings, trusting you will abide by the "spirit" of the law in this regard. During each of these sessions you will work through one topic in this book, and then you will fill out a meeting progress report. You will also help the candidate choose and research a confirmation name, and complete the required service hours.
2. These meetings need to be completed and the reports turned in by January 8, 2025. Progress Reports are to be turned in by the candidate at the regular Confirmation session, to their religious education teacher or can be dropped off at the parish office as they are completed, but no later than January 15, 2025. You will also be helping your candidate track and reflect on their service hours and in choosing a saint's name for Confirmation. ***The service hour log and reflection sheet is due no later than January 15, 2025, but hours are due on an annual basis. Please turn in this year's service in by March 29, 2023.***
3. By January 15, 2025, you are asked to write and send your letter of recommendation regarding the candidate's readiness to be confirmed. (See sample on next page)
4. Confirmation practice will be on Wednesday, February 26, 2025 at 6:45 p.m. at the Church of the Holy Redeemer.
6. Celebration of Confirmation will be on Sunday, March 2, 2025 at 3:00 p.m. at the Church of the Holy Redeemer.

IV. LETTER OF RECOMMENDATION

Please compose a letter similar to one of the letters below and return it to Father Anthony Stubeda. The letter must include some kind of recommendation of the candidate, but may include more than the bare minimum given as an example here.

Dear Members of Holy Redeemer Catholic Church:

As the sponsor of _____, I attest to the candidate's sincerity and effort in striving to develop the qualities we have a right to expect of members of our faith community. I therefore personally recommend that the candidate be confirmed in membership in the Holy Catholic Church.

TOPIC ONE: INVITATION TO DISCIPLESHIP

Due Date: March 29, 2023

GOALS:

To help the candidate develop a closer identification with an appreciation for the local faith community, the parish

To help the candidate develop skills and gain practical experience in living a life of Christian service to others

To help the candidate develop the willingness and courage required to witness to Christ's teachings and values in today's society.

RATIONALE:

Jesus' call to discipleship invites us to committed membership in the Church. To be a confirmed member of the Church requires a willingness to share one's own time, talent and treasure. Jesus asks us to respond freely to His invitation.

BACKGROUND:

Being realistic, it may be some time before the candidate will fully enter into the mainstream of parish life. Nevertheless, it is not too early to nurture an appreciation for the parish and for the importance of gradually assuming active responsibility within it.

PRAYER (Together)

Lord, still my restlessness and quiet my heart so that I may receive Your Word. Send Your Spirit upon me so that I might hear Your message and respond to it with courage.

(Pause)

Come Holy Spirit, fill the hearts of your faithful and kindle them in the fire of your love.

Lord, send out your Spirit, and renew the face of the Earth.

Jesus, we thank you for initiating our relationship with you. Through Baptism and Confirmation You invite us to enter into your life, death, and resurrection. Help us to contemplate your invitation, to choose freely your values and radically commit ourselves to you so that we may have the fullness of life through your name and may share that life with others through our ministry. Amen.

ACTIVITY I: SCRIPTURE SEARCH **DISCIPLESHIP, WITNESS, SERVICE**

1. Together read each of the Scripture passages below.
2. Discuss each passage together in the light of these questions:
 - a. What aspect of the call of Isaiah and the disciples impresses you?
 - b. What qualities would a disciple need today?
 - c. What can I do to ensure that my efforts as witness possess the qualities described in the Scriptures?

Isaiah 6:1-8

Acts 2:42-47

Matthew 4:18-22

1 Corinthians 12

Matthew 9:9-13

James 2:14-26

ACTIVITY II: TIME, TALENT, AND TREASURE

1. Under each of the categories above, help your candidate identify what he or she is already doing to share his or her time, talents, and treasure (money) on behalf of the parish and/or others in need of service.
2. Decide together what more can or should be done in these areas in response to each Christian's vocation to be servant to others.

Note: In terms of treasure, it is good to evaluate just how the candidate is presently spending whatever money he or she has available for personal use. One's values and priorities become clear in the process.

TOPIC TWO: PRAYER AND SPIRITUAL LIFE

Due Date: March 27, 2024

GOALS:

To help the candidate grow in understanding, valuing, and practicing an active prayer life
To help the candidate grow in overall pursuit of the values and lifestyle taught and modeled by Jesus

RATIONALE:

Prayer is an essential skill for effective membership in the faith community and for maintaining an overall Christian lifestyle.

BACKGROUND:

We are not concerned about instant sanctity here. The focus is on possessing and developing those skills and habits that will lead the candidate to closer identification with Jesus over the years.

How one prays is not as critical as that one prays. Your discussion with your candidate, therefore, should focus on nurturing a positive attitude toward prayer and helping him or her to develop a style of praying that is suitable for him or her at this point in life.

The overall spiritual life involves us in both positive practices and in a program of self-discipline aimed at rooting out or curbing weaknesses and bad habits we may possess. In your discussion with your candidate, try to maintain that balance between nurturing the good that is already there and curbing negative elements that may be present.

TOPIC THREE: LITURGY & COMMUNAL WORSHIP

Due Date: March 27, 2024

GOAL:

To help the candidate grow in the understanding of, appreciation for, and participation in the faith community's communal worship, especially the Eucharist.

RATIONALE:

Communal worship is at the very heart of the faith community's life and one of the most essential sources for its vitality. Confirmation, in a real sense, implies a sincere commitment to this dimension of one's faith life.

BACKGROUND:

It is not uncommon for youth—and adults—to have difficulty in their efforts to experience Mass as the meaningful, energizing, and inspiring celebration it is intended to be.

To some degree, the cause may lie in the individual's lack of motivation and participation. More often, it is due to an underdeveloped awareness of the real nature and significance of these communal celebrations and the skills needed to participate effectively.

In your discussions with your candidate on this topic, attempt to pinpoint the causes for any difficulties he or she may be experiencing and deal with them as best you can or with the help of the teachers.

As stated in connection with the other topics, do not expect miracles, whereby every Mass becomes for the candidate an experience of "spiritual fireworks." It is sufficient to nurture in the candidate a commitment and willingness to strive to make communal worship a central part of his or her ongoing life as a Christian.

PRAYER

Sponsor: After Jesus died, rose, and ascended back to His Father, He knew that we would need other ways to approach God until He returned in glory at the end of time. Jesus didn't leave us alone. He didn't say, "I'm going back to heaven now. Good luck. Everyone fend for himself or herself." This is what He did say:
I will not leave you orphans; I will come to you. . . . you will realize that I am in my Father and you are in me and I in you. *John 14:18, 20*
Through the sacraments and Mass we meet Jesus and realize our unity with God and with one another in God.

Pray Together: Psalm 118, Part C

ACTIVITY I:

SCRIPTURE SEARCH – EUCHARISTIC COMMUNITY

1. Read together each of the Scripture passages below.
2. Discuss each passage together in the light of these questions:
 - a. Do you have trouble believing Jesus is actually present in the Word, in the Eucharist, and in the community during Mass?
 - b. Imagine you have just become a Catholic and are hearing these words for the first time. How do you think you might feel? What questions would you have? Would you find these words exciting? Comforting? Challenging? Why or why not?

John 6:51-59

1 Corinthians 11:23-30

Matthew 26:26-30

ACTIVITY II: REVIEW OF THE MASS

1. Review together the outline of the Mass on the following pages.
2. Agree on a time when you can attend Mass together.
3. Immediately following Mass, go over the outline, and discuss each element using these questions as aids:
 - a. Do you feel you understand the nature and purpose of this aspect of the Mass? Do you have any problems with it?
 - b. What might help make it more meaningful to you? What could you do to better enter into the spirit of this part of the liturgy?

Watch: Sign on to Formed. On the Home page pull down the menu from the “Programs” button. Click “Youth Programs” on the menu. Click on the “YDisciple” tile. TOPIC FOUR:

SIN AND THE SACRAMENT OF RECONCILIATION

Due Date: January 15, 2025

GOAL:

To help the candidate grow in the understanding of sin and its effects and develop a greater appreciation for the Sacrament of Reconciliation.

RATIONALE:

Sin damages or destroys our relationship with God. It also disrupts or weakens unity within the Christian community. The forgiveness of sins is most fully expressed and celebrated in the Sacrament of Reconciliation.

BACKGROUND:

It is not uncommon for candidates--and adults--to have difficulty in celebrating the Sacrament of Reconciliation. For many, twice a year is the maximum number of times to go to confession.

To some degree, the cause may be the great emphasis that has been placed on the loving mercy of God, almost to the exclusion of God being all-just. This leads many to assume that since our "little sins" are quite insignificant compared to the crimes committed in our society, God understands our human weaknesses. Therefore we do not need to go to confession.

In your discussion with your candidate, attempt to pinpoint the causes for difficulties he or she may have with going to confession. Attempt to deepen his/her understanding of the healing nature of this sacrament and how it can be effective in overcoming weaknesses and sins.

PRAY Together

Lord, hear the prayers of those who call on you, forgive the sins of those who confess to you, and in your merciful love give us your pardon and your peace.

Lord, may the Helper, the Spirit who comes from you, fill our hearts with light and lead us to all truth as your Son promised, for he lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen

ACTIVITY I: SCRIPTURE SEARCH – SIN

1. Read together each of the Scripture passages below.
2. Discuss each passage together in the light of these questions:
 - a. Sin has been defined/described as - - -
 1. "missing the mark" of living God's covenant of love
 2. an attitude
 3. an action and a failure to act
 4. a power
 - b. How do these Scriptures help you to understand these descriptions?

Genesis 3:1-24

Ephesians 4:25-31

Romans 5:12-14

1 Corinthians 6:12-20

Galatians 5:16-21
